Delivery

Ports

Dakar | Banjul | Conakry | Freetown | Abidjan | Tema | Lomé | Cotonou | Lagos

Inland by road

Bamako, Mali | Ouagadougou, Burkina Faso | Other inland destinations on request

Trade terms

Incoterms® 2020

FOB, CFR or CIF to your port, or DAP delivered to your site, inland included.

Prices & payment

Quoted in US dollars or euros. Payment terms agreed in the contract before shipment. No fee to request a quote.

Inspection

Third-party inspection at the loading port on request, at quantity and quality.

Documents

Full shipping set for customs clearance, issued to your company.

How an order works

1. **Send your requirement.** Product, specification, quantity, destination port and timing. A tender extract or bill of quantities is ideal.
2. **Receive a written offer.** Specification, origin, price, Incoterm, lead time and offer validity, in writing.
3. **Sign the contract.** Contract and payment terms are agreed in writing before production or loading.
4. **Loading & inspection.** Goods are loaded to the agreed specification. Independent inspection by SGS, Bureau Veritas or Intertek on request.
5. **Shipping & documents.** Commercial invoice, packing list, bill of lading, certificate of origin and quality certificate. We track the cargo to your port.
